

All across the nation, kids are giving up soda pop (or something else) to help meet the physical and spiritual needs of people around the world. The money from each soda pop sacrificed will be given to BGMC to assist our missionaries with spreading the gospel around the world.

ADULTS CAN ALSO BE A PART. Simply make a faith promise for any amount to give to the child who sacrifices soda pop for missions. Your gift will be an encouragement to the participant and a blessing to the needy and lost people of the world!
