CAMP YUPIK
ROCKS!

Camp 2012

From the National Director

Hi Friends,

I was 10 years old when I accepted Jesus Christ as my Lord and Savior. And it happened at church camp. I remember that it was hard to sleep that night because I knew deep within me something changed. This Jesus that I had read about and heard about from my folks and my Sunday School teachers was now my Jesus. He became personal and my life was forever changed from that day until now.

Maybe yours is a similar story. Every year girls leave church camps with changed lives; many with a full-time call to become missionaries, pastors, evangelists, deacons, Sunday School teachers, and church and civic leaders.

But what about that girl who has yet to experience camp? At this year's national sleepover your team of sponsors have an exciting opportunity to present what might just turn out to be the highlight of her year.

Welcome to Camp Yupik! Included in this sleepover packet is enough information to make your event a huge success. We've made it easy for you and the more time you and your team pre-plan, the more fun your girls will have — so pay particular attention to the planning timeline on pages 12-13. Included on pages 14-22 are so many fun ideas (including Do-It-Yourself tents) and other campfire embellishments, games, and recipes you'll have trouble choosing which ones to try.

Be sure and play the Coins for Kids video at some point in their camp experience. It explains the 2012 project and exactly how their Coins For Kids offerings will be used. Some have asked why we tie our Sleepover to our CFK project and the answer is simple: Because missions and missionaries has always been tightly woven in the fabric of Mpact Girls Clubs, not only through giving but also through the work of the Holy Spirit calling girls to full-time missionary service. What if 2012 – Camp Yupik – is the year and place? It can happen. Plan, Prepare, and most of all Pray to that end.

Have fun camping! My staff and I will anxiously await your call again this year.

Much Love,

Candy and Luna the Lamb

Summer camp is a highlight for almost any elementary school-age kid. Swimming, hiking, horseback riding, and crafts are daily activities. It's a place where new friendships are forged, old friendships are renewed, and — for many — it's the place where Jesus Christ is made real to a life for the first time.

This year's Coins For Kids Project is all about kids camp. But not exactly like the camp described above. Imagine a rugged, remote, unique, and full of wilderness camp where the nearest village is 17 miles, the only way to get there is by boat, and the nearest city is 500 miles by air. Daily life is rugged on the banks of the Yukon River where the average daily temperature for camp is 38 degrees and the facilities consist of drafty tents that are in disrepair and all supplies — including fresh drinking water — must be boated to camp.

Welcome to Western Alaska's Camp "Agaiutim Nune" or Camp AN! It began in 1996 and translated from the Yupik Eskimo language it means ... "The Place of God." The girls and boys that attend this camp are primarily from Alaska's Yupik Eskimo tribes and with a rich heritage in their culture — for many of them — it is a safe week away from abuse and depression where for the first time they will learn of the love and acceptance of Jesus Christ. It is a place:

- Where campers become aware of God's marvelous creation
- Where every part of the camp experience gives preeminence to the lordship of Jesus Christ
- Where old lives of the campers are made new through the person of the Holy Spirit
- Where prayer and the Word of God bring the solutions to life's problems and questions

IT IS A PLACE TO MEET WITH GOD

How can Coins For Kids help?

This year we are partnering with U.S. missionaries Jim and Linda Schulz and the Yupik Eskimo children of Western Alaska to provide necessary funds to replace the drafty Camp AN tents — which are in disrepair — with a much needed multi-purpose permanent building for the camp which will serve as a kitchen, chapel, and education center. It will be the main hub of all camp activities.

The effects of Assemblies of God camps are felt all over the world. Missionaries, pastors, evangelists, deacons, Sunday School teachers, and church and civic leaders have come from these camps with a call and anointing of the Holy Spirit upon their lives. Won't it be great to know that as we are faithful to give our CFK dollars, on behalf of the Yupik Eskimo young people, we are partnering in their future as their lives are touched emotionally, physically, and most of all spiritually?

Let's let them know they are not forgotten. God knows each of them by name!

Fundraising Ideas

HOW CAN YOUR CHURCH MAKE A DIFFERENCE? Order your new Coins for Kids offering box and distribute to your girls. The boxes are free. Contact Gospel Publishing House at 1.800.641.4310 and order as many as you need. Encourage your girls and leaders to fill their banks and turn them in during the Nationwide Girls Ministries Sleepover. Your church will total the money and send a check to the national Girls Ministries Department where you will receive BGMC and World Ministries giving credit for your giving. You can also donate on our website at www.ngmevents.ag.org/cfk.

NEIGHBORHOOD/CHURCH YARD SALE: Let all your church members, friends, and neighbors participate in the yard sale. They will be happy to clean out their basement or garage for a good cause. Put up flyers or place an ad in the paper with all the details and directions to your sale. Don't forget to tell all your customers that all proceeds will go to Coins for Kids.

YOGURT NIGHT: Contact local ice cream parlors or yogurt shops to see if they would be willing to give you a portion of their profits for every customer you bring in on a given night, the members of your church can have fun socializing and the shop will gain publicity and name recognition in your city. No one loses. Please make sure you contact the managers well in advance so as to fill out all the appropriate paperwork.

A Day as a Yupik Eskimo

Three or four months prior to Sleepover devote an entire evening to bring all the girls together for a day as a Yupik Eskimo. Whether a Wednesday or Sunday evening service or another night, this night will be a time when the girls will learn what life is like for kids in Alaska. Start the evening with a viewing of the Coins for Kids project video (provided on this DVD) so the girls can see what the project is about.

Included below are activities to do with your girls to give them a glimpse into the western Alaska Yupik child's life. You can choose to do all or just a few of them depending upon the time you have. At the end of your night give each of the girls a moment to fill out their Faith Promise card for this project (provided on this DVD). Remind them this is what they personally think they can raise, with God's help, for Coins for Kids. Keep the right side of their card and allow the girls to take the other half with them as a reminder of what they want God to do. For additional facts about Alaska see page 7.

FISH CAMPS: During the summer, many Yupik children spend long weeks away from home, living with their families in "fish camps." Summers bring the "continual daylight" to their part of the world. During this time it does not get dark for months at a time. They might spend the summer in a canvas wall tent while the whole family works to store up salmon for the rest of the year. The fish are caught in nets and there is plenty of work for everyone: cleaning and mending nets, setting nets, pulling in nets, cleaning fish, cutting up fish, hanging fish on racks to dry, and smoking the fish.

Activity 1: Setup a tent and have the girls come in a few at a time. Have them imagine spending several weeks away from home living in the tent with their family. Provide them with fish sticks as a snack and talk to them about the purpose of the fish camps and the importance of storing up salmon for the year.

SNOW, MUD, & TRAVEL: In the winter, Yupik children attend school. They will learn what children most anywhere in the United States are learning, but their day might look a little different. Instead of riding the bus to school, many children will ride a snow machine to school. Sometimes they will ice skate to school. Many Yupik villages do not have what most Americans would consider to be roads – they are footpaths that are snow-packed in winter and very, very muddy the rest of the year (in fact, there may be rows of boardwalks or wooden pallets so that people can walk without sinking or losing a rubber boot to the sticky mud in the spring, summer, and fall). Winter can be very severe with very long dark days and sub-zero temperatures along with lots of snow and ice. Snow machines and dog sledding become common means of transportation.

Activity 2: Snow is a large part of life in Alaska. Ask the girls what they know about snow, what they like about it or don't like about it. Then give them the opportunity to make their own snow cones.

Activity 3: Some people in this area say there are two seasons: snow and mud. During free time children may use sticks (they call them "story sticks") to draw in the mud telling stories to their friends. Outside set up a container with dirt and water, creating mud. Give the girls the opportunity to draw their own stories with a stick in the mud. Chocolate pudding on a table can be substituted for an inside activity.

Activity 4: Travel in Alaska is much different than other places in the United States. Show the girls pictures of snow machines, dog sleds, and ice skates. Explain that this is how Yupik children get to and from school.

SPORTS & GAMES: Most of the traditional Alaskan sports and games that children (and even adults) play and compete in are based on skills needed for hunting.

Activity 5: Connect with someone who can teach the girls archery.

FINAL ACTIVITY

Materials Needed: Burlap fabric, acrylic paints, and brushes

Give each of the girls a sheet of 12" x 12" burlap to paint something that will remind them of the kids in Alaska. Encourage them to hang their paintings up in a place that will remind them to pray each time they see them.

Fast Facts About Alaska

THE PEOPLE

The Alaska Native population includes Eskimos, Indians, and Aleuts. About half of all Alaska Natives are Eskimos. (Eskimo is used for Alaska Natives; Inuit is used for Eskimos living in Canada.) The two main Eskimo groups, Inupiat and Yupik, are distinguished by their language and geography. The former live in the north and northwest parts of Alaska and speak Inupiaq, while the latter live in the south and southwest and speak Yupik.

THE LAND — Mountains

Of the 20 highest peaks in the United States, 17 are in Alaska. Mt. McKinley, the highest peak in North America, is 20,320 ft. above sea level. Denali, the Indian name for the peak, means "The Great One."

Water Bodies

The Yukon River, almost 2,000 miles long, is the third longest river in the U.S. There are more than 3,000 rivers in Alaska and over 3 million lakes. The largest, Lake Iliamna, encompasses over 1,000 square miles.

Glaciers

A glacier is a large body of ice moving slowly down a slope or valley or spreading outward on a land surface. Alaska has an estimated 100,000 glaciers, ranging from tiny cirque glaciers to huge valley glaciers. There are more active glaciers and ice fields in Alaska than in the rest of the inhabited

world. The largest glacier is the Malaspina at 850 square miles. Five percent of the state, or 29,000 square miles, is covered by glaciers.

Compass Points

Alaska boasts the northernmost (Point Barrow), the easternmost (Pohnoi Point on Semisopohnoi Island in the Aleutians), and the westernmost (Amatignak Island in the Aleutians) points in the United States. (See International Date Line.)

Coastlines

Alaska has 6,640 miles of coastline and, including islands, has 33,904 miles of shoreline.

Volcanoes

There are more than 70 potentially active volcanoes in Alaska. Several have erupted in recent times. The most violent volcanic eruption of the century took place in 1912 when Novarupta Volcano erupted, creating the Valley of Ten Thousand Smokes which is now part of Katmai National Park.

Earthquakes

On March 27, 1964, North America's strongest recorded earthquake, with a moment magnitude of 9.2, rocked central Alaska. Each year Alaska has approximately 5,000 earthquakes, including 1,000 that measure above 3.5 on the Richter scale. Of the ten strongest earthquakes ever recorded in the world, three have occurred in Alaska.

CHILD SAFETY

Protecting children is of utmost importance to the national Girls Ministries Department. We encourage all churches to screen volunteers and put in place policies to ensure safety for those participating in church activities. To learn more about protecting children from predators and other potential safety risks,

visit the Assemblies of God's official site for legal matters www.ag.org/top/legal_matters pertaining to the church. You can link to this site from the national Girls Ministries home page www.ngm.ag.org. In the menu on the left-hand side of the screen, choose "Legal Matters." Also reference *Reducing the Risk of Child Sexual Abuse in Your Church* by Richard Hammar.

SLEEPOVER OBJECTIVES

- Present the salvation message to girls by teaching them that God wants to be close to them and help them develop their gifts.
- Teach girls the importance of giving to missions through fundraising efforts for the annual Coins for Kids project.
- Encourage girls to share what they have learned with neighbors and friends at school. Use E-LIFE activities to prepare your girls to witness to their friends and family. Check out www.elife.ag.org.
- Reinforce the Christian-mentoring relationship by breaking away from the clubroom. Include all girls in your church.

TARGET AUDIENCE

Sleepover is designed with activities aimed at the mid-level age groups of Girls Ministries — kindergarten through fifth grade; however, we encourage including all age groups into activities in some way. Many churches find it beneficial to incorporate middle school and high school girls in leadership activities — leading worship, making snacks, helping younger girls participate in activities, etc. Preschool girls and boys might be able to attend for early evening activities. Make sure you have plenty of volunteers to help with the various events.

All activities may not be best-suited for your unique girls. Feel free to adapt these ideas to the regional and cultural needs of your church or for girls who may have special needs. Sleepover is most successful when coordinators tailor activities to the specific

CAMP YUPIK

2012 NATIONWIDE GIRLS MINISTRIES SLEEPOVER

interests and abilities of girls in their local church.

PROMOTION

Build excitement by including girls in the creation of a promotional poster for the church. Display the poster in a prominent location in the church to familiarize parents and remind girls of the upcoming activity. The poster could suggest that parents contact the Girls Ministries coordinator to find out how they can donate items or help with the event.

Encourage your girls to invite unsaved friends. Invite girls from your community who don't attend church. Be prepared to make them feel comfortable and included. Talk with your church girls about welcoming any visitors. You may want to use one of the following options for your Sleepover:

- While promoting your Sleepover include information about the Coins for Kids project. Get your church members involved to raise money for Alaska — the Place of God.
- Your district and/or sectional Girls Ministries coordinator may plan a

special Sleepover in which you will want to participate. Volunteer yourself and your girls to help with games, food preparation, etc. Be sure you are on the district and sectional mailing lists to receive Sleepover information.

- Host a Sleepover and invite girls from a neighboring church to be your guests.
- If your district Girls Ministries coordinator instructs local Girls Ministries coordinators to plan their own Sleepovers, each local coordinator should :
 1. Check the church calendar.
 2. Confer with the pastor or appropriate staff member regarding preliminary plans.
 3. Involve leaders, helpers, and parents in planning and participating in the Sleepover.

If the date conflicts with your church, section, or district calendar, your Sleepover may be held on a date different from the designated night of September 28, 2012.

2012 NATIONWIDE GIRLS MINISTRIES SLEEPOVER

Planning your Sleepover

Here are some ideas to make this packet work for you. It is important to keep a few things in mind when planning your Sleepover:

- Girls who are not saved will be attending your Sleepover. Be sure they hear the salvation message and have an opportunity to accept Jesus as their Savior.
- Girls will be more excited about raising money for Coins for Kids if they know exactly what their funds will support. Make a copy of the Coins for Kids project reproducible page in this packet (page 4) for each girl. Order the free Coins for Kids promotional cards available on the Sleepover order form. This card explains the ministry of Coins for Kids and the current project, Alaska — the Place of God. Send these two pieces, along with a Coins for Kids offering box, home with each girl after your Day as a Yupik Eskimo event (see page 7) before the Sleepover. In the Coins for Kids resources folder on this DVD, there are labels identifying the project. You can print these on Avery labels and stick them on the back of each box. In addition to the box, you can have your girls use a potato chip can to collect coins and cash. In the Coins for Kids resources folder on this DVD there is a PDF that can be printed on a full sheet Avery label or printed on regular paper and taped to the can. On the Coins for Kids website these resources are also available for free download.
- The reproducible Coins for Kids and Sleepover participation certificates (pages 36,37) and 2012 Sleepover Badge (see Sleepover order form on page 27) are a great way to recognize girls who participate in Sleepover. Create gift bags for each girl by purchasing Sleepover products.
- Create invitations (ideas are provided on page 15) to encourage girls to invite friends to attend the Sleepover. The invitation will also make parents aware of the time and place of the event.
- It is important that you complete and return the 2012 Sleepover Report Form to the national Girls Ministries Department, whether or not you call in. We want to include you and your girls in our final participation count. Even if your church is not affiliated with the Assemblies of God, please send in the report. We want to count you as a part of our official totals. An online form is also available at www.ngmevents.ag.org/sleepover/.
- Set firm arrival and departure times.
- Review the Sleepover planning section (pages 12-22). Carefully read and evaluate the activities of the packet before you begin planning.

Planning Timeline

3-4 MONTHS PRIOR TO SLEEPOVER

- Order Coins for Kids offering boxes and promotional cards. The project video is on this DVD. The project video was created to explain the ministries of Alaska — the Place of God. The video is available in English and Spanish. Watch the video during a club meeting then send home the promotional card and box.
- Host a Day as a Yupik Eskimo: Have a Wednesday night service devoted to learning more about the Alaska project. Show the Coins for Kids project video and remind the girls what the money they raise will go to. (See Alaska Service guidelines on page 6.) Have girls start collecting the money with the new Coins for Kids boxes.
- Order fun items to promote the Nationwide Girls Ministries Sleepover. A Sleepover order form is provided for you on pages 26-28. Please use the order form, order online, or call 1-800-641-4310. Order early (several weeks before Sleepover to ensure product availability and timely delivery. Quantities are limited, since this is a dated event.)
- Host various fundraisers to raise more funds for the Coins for Kids project. See page 5 for fundraising ideas. Talk to your pastor about showing the video in a church service to get the adults involved. Encourage the girls to visit the website to watch the video with their family — www.ngmevents.ag.org/cfk/.
- Start E-LIFE activities (Check out www.elife.ag.org) to encourage girls to invite unsaved friends to the Sleepover.

1 MONTH PRIOR TO SLEEPOVER

- Saturate your Sleepover plans with prayer. Encourage your congregation to join you in prayer.

2-3 WEEKS PRIOR TO SLEEPOVER

- Encourage girls to bring a friend to Sleepover. Make invitations and mail them (see ideas on page 15).
- Invite parents to join their daughters for breakfast Saturday morning. Prepare leaders and helpers to meet the parents and invite them to church. If possible, invite the children's pastor to the breakfast as well to introduce him to the girls who might be visiting on a Sunday for Sunday School and Children's Church the next day.
- Read the snack and activities ideas (pages 16-22). Familiarize yourself with instructions and gather all needed supplies.

- Make identification badges. (See provided labels on this DVD in folder Resources to use with Avery template 5294.)
- Work with your children's pastor so that visitors are acknowledged in Sunday School or Children's Church when they attend the next day.

DURING THE SLEEPOVER

- Use the suggested timetable to call the national Girls Ministries Department with your attendance and offering totals (see pages 30-31). Dial 1-800-GIV-2-CFK (1-800-448-2235).
- Encourage visiting girls to bring their Sleepover Certificate (page 37) to church with them the next week to receive a special gift. Even a small item will make girls feel welcomed (See page 26 for ideas). This might get kids excited about continuing the friendships they made at the Sleepover. Make sure your regular church members are prepared to greet them as well.
- Distribute fliers (available in each *Sponsor Guide* or on our website) giving girls and their parents information about regular meeting times and places. Ask if they will need a ride and arrange for it before they leave the Sleepover.

AFTER THE SLEEPOVER

- Mail the enclosed 2012 Nationwide Girls Ministries Sleepover report form to the national Girls Ministries Department along with your Coins for Kids offering. **Please do not send cash or coins.** For your convenience you can also fill out your report and send your donation online at www.ngmevents.ag.org/cfk/current.cfm.
- Remember to mail proper thank-you notes to those who helped and those who donated items for the Sleepover.
- Follow-up with visitors who attended Sleepover and those who were saved during the event. Be sure that each of these girls has a Bible of her own. Talk with your pastor to think of ways that a Bible can be provided for girls without one.
- Continue raising funds for Alaska — the Place of God. Our Coins for Kids project does not end until December 31, 2012. All monies received through this date will go to build camp facilities. The more we raise, the more we can build to help the children in Alaska.
- Continue each month, during a club meeting to take time to pray for our Coins for Kids project.
- Email in pictures of your Sleepover to the national office. Send to: ngm@ag.org.

Ideas

Decorations, invitations, etc.

SET-UP CAMP

If camping outside is not an option set up camp inside. Set up tents in your church gym, or in a large room. To create more of a campsite look set up all the tents in a circle and add wood logs in the center with a faux wood fire. You can even end the night with singing songs by the campfire.

DO IT YOURSELF TENTS

There are several different ways you can make your own tents if you do not have any available.

Easy: Secure a rope to from one end of the wall to another. Take large pieces of fabric or sheets and hang them over the rope. Once your fabric is evenly placed, take one end of the fabric (that is touching the floor) and step away from the rope several inches and secure the end down with a heavy object. Repeat with the other side. Note: you can make these tents as small or large as you want, the more fabric the bigger the tent. One large tent would be really fun for the girls! Idea: Sheer fabric would also give a fun twist with this tent.

Medium: A-Frame Tent

Materials:

Measuring tape

Pencil

4 - 1" x 2" x 48" Whitewood moulding

1 - 3/4" x 48" Poplar dowel

Drill with 3/4" spade bit

1. From the top of each of the 4 mouldings, measure and mark 6" down with your pencil.
2. With your drill and 3/4" spade bit, drill a hole at your mark. Try to center the hole on your moulding.
3. Place 2 mouldings on top of each other, make sure the holes are lined up.
4. Push dowel through the holes of the 2 mouldings. The hole should have a pretty tight grip and keep the dowel in place.
5. Repeat step 4 and put together the other side with the 2 remaining mouldings.

Materials for tent cover:

Thread

Twin sheet or fabric large enough to cover frame (approximately 44" x 83.5 hemmed)

Elastic

CAMP YUPIK

2012 NATIONWIDE GIRLS MINISTRIES SLEEPOVER

Scissors

Fabric Glue (optional)

1. Hem the perimeter of the rectangular fabric using a straight stitch. If you do not have a sewing machine you could also use fabric glue. (Note: If using a twin sheet you can skip this step).
2. Cut four 5" elastic strips.
3. Take one piece of elastic, fold in half (end-to-end), and secure it to a corner of the fabric (with sewing machine or fabric glue). Repeat with the remaining 3 corners.
4. Drape cover over the A-frame and loop elastic to the bottom of the wooden tent leg.
5. Arrange and straighten fabric cover. Then, spread frame to desired height and width of tent opening.

CAMPFIRE EMBELLISHMENT

Materials:

Rocks

Brown paper bags

Yellow, orange, & red felt

1. Gather enough rocks to make a fire ring.
2. Rip the brown paper bags into strips and twist the pieces to look like firewood. Take your felt and cut into irregular triangles. Then pull at the edges to soften the look.
3. Arrange the rocks in a circle and "build" your fire with the paper and felt pieces.

THINGS TO USE AS DECOR

- **White lights:** Simulate a night under the stars. Hang lights over the girls tents.
- **Woodlogs:** These can be used in many different ways. Place them around your real or fake campfire for the girls to sit on. Use them on food tables as decor (you could even place some food trays on top of them to create different levels on your buffet tables).
- **Painted wood signs:** Something you always see as you make your way to a campsite are wooden signs telling you where to find things. Even if you host your Sleepover inside you can make these same signs. For example: hang an outhouse sign on the bathroom door, place a sign at the

entrance to a building saying "Campsite" with an arrow point inside, hang a mess hall sign in the eating area, and/or have signs identifying different events the girls will take part in throughout the night. Use cardboard as a wood substitute.

- **Lanterns:** These aren't just used to illuminate, they also create a fun look whether you are inside or out. If outside you could hang them from tree trunks or use them to create a walkway to an activity. Inside you could hang them from the ceiling using fishing wire. They can also be used as décor on: buffet, eating, and activity tables.
- **Bring the outside in or if outside use what is around you:** pine cones, twigs, river rocks, green moss, wild flowers (placed in a mason jar), or sand
- **Nature CD:** If you're camping inside and want it to sound like the outside, find a CD that plays the sounds of nature. These can be found on iTunes or at most stores that sell music.
- **Burlap:** This material can be used in many different ways. Use it as a table cloth or table runner, take a small strip and wrap around mason jars or drinking cups, use a large piece as a backdrop, or cut into squares and use as placemats.
- **Brown packing paper:** Purchase a large roll of this paper from your local office supply store. Use this to create a trail/dirt path down a hallway. You could even add plants on the side and fake grass with green paper.

INVITATIONS

Use the invitations provided as a separate file on this DVD (in the folder titled Resources). Print on cardstock and cut out. Write the name of your church, the location, and the date and time of your Sleepover with a colorful pen.

- Mail out 2-3 weeks before your Sleepover.
- Make additional invitations for the girls to use to invite their friends.

Campfire Food dinner & snacks

Note: Be sure to check for food allergies

MINI HOTDOGS & SLIDERS

Girls love things that are just their size. Make the girls miniature hot dogs and hamburgers for their camp dinner. If you can't make them from scratch most grocery stores have them in the frozen section.

DUMP SOUP

Have each of the girls bring their favorite can of soup and combine them all together for one large batch of soup.

ANTS ON A LOG

Need:

Celery
Peanut butter or cream cheese
Raisins or dried cranberries

Fill celery sticks with peanut butter or cream cheese. Press dried fruit gently into spread, to look like ants crawling.

LADYBUG STRAWBERRIES

Need:

12 Strawberries
24 Toothpicks or wooden skewers
24 Red seedless grapes
Miniature chocolate chips

How to make:

1. Remove stems from strawberries and cut each in half, starting at the end where the stem was to the bottom.
2. Head: Place a grape on a toothpick or skewer, sliding it all the way to the end of the stick.
3. Body: Next place the strawberry on the skewer, stem end first, and slide it down to touch the grape.
4. Spots: Lay the ladybug down and carefully push the pointed ends of several chips into the strawberry to make the ladybug's spots.
5. Presentation: Place several large lettuce leaves on a pretty platter. Arrange ladybugs (flat-end of strawberry down) on the leaves.

S'MORES & MORE

When you think of campfires, s'mores are definitely something that comes to mind. Camping just isn't the same without them. Included below are different options on how to include this popular food in your Sleepover.

Inside S'mores

If you are unable to have a traditional campfire, do not fret! You can still have smores. (Note: some of these ideas require constant adult supervision)

Use a Sterno/chafing fuel can. Stick marshmallows on a metal skewer, light fuel, and start toasting.

Use the microwave. Place half of a graham cracker on a paper towel, place chocolate piece on top of cracker and then marshmallow on top of chocolate. Heat on high for 15 seconds. Remove, and place other half of cracker on top.

Marshmallow S'mores Bars

Need:

2 cups graham cracker crumbs
2 tablespoons sugar
7 tablespoons butter, melted
16 oz dark chocolate (65% cacao), melted
1 cup whole milk
2 cups chocolate puffed rice cereal
4 cups mini marshmallows, divided

How to make:

1. Place graham crackers, sugar, and melted butter in a bowl and mix to blend. Firmly press mixture into the bottom of an 11×13" pan and bake for 10-12 minutes at 350 degrees F. Set aside to cool.
2. Melt chocolate with milk in a pan over medium low heat and whisk to combine. Transfer mixture to a new bowl and set aside for 10 minutes to cool (transferring the mixture to a new bowl will help to cool it faster).
3. Add cereal and 2 cups of marshmallows to cooled chocolate mixture and mix to combine. Pour mixture over crust. Pour remaining 2 cups mini marshmallows on top and place under the broiler for 2-3 minutes to toast tops of marshmallow layer. Transfer completed dessert to fridge and chill for at least 2-3 hours or overnight.

A few notes:

Keep a careful eye when toasting the marshmallow portion in the broiler, as the 2-3 minutes can fluctuate depending on your broiler set up. We recommend you check it after the first minute. For nice clean slices, wash or wipe knife off between cuts.

Star cookie cutter
Sanding sugar, sprinkles, or edible shimmer dust

3. In a medium saucepan, combine sugar, corn syrup, and 1/4 cup water. Place over medium-high heat and bring to a boil; boil rapidly for 1 minute. Remove from heat.
4. Using an electric mixer with the whisk attachment on high setting, slowly pour the boiling syrup into the gelatin mixture. Add salt and continue mixing for 12 minutes.

DIRT IN A CUP

Need:

3 1/2 cup whole milk
2 packages instant french vanilla pudding
1 stick butter at room temperature
1 8 oz. package cream cheese at room temperature
1 cup powdered sugar
1 16 oz. container non-dairy whipped topping
2 packages chocolate sandwich cookies
1 tube of green frosting
Milk chocolate candy rocks
Assorted gummy worms

How to make:

1. Whisk the milk and pudding together in a large bowl until smooth. Let stand five minutes.
2. In another large bowl, beat the butter and cream cheese together with a hand mixer on medium speed until fluffy. Beat in the powdered sugar until smooth. Add the pudding and beat until smooth. Fold in the whipped topping.
3. Crush 1 package of cookies so that there are some fine crumbs, but also some larger pieces. There needs to be a variety. Fold crumbs into the pudding mixture until evenly mixed.
4. Finely crush the other bag of cookies.
5. In a large clear glass trifle dish, pour about a third of the pudding mixture into the bottom and spread to smooth. Sprinkle with a layer of about a third of the finely crushed cookies. Stick several of the candy rocks in the cookie layer, especially around the perimeter of the dish where they will be visible (to look like rocks in the soil). Top with another third of the pudding mixture on top of the cookie layer, then repeat with another cookie layer and candy rocks.
6. Spread the remaining third of the pudding

on top, then top with the remaining cookie crumbs. Using the green frosting, add clumps of grass in different spots using a grass tip. Place gummy worms and additional rocks on top to decorate.

7. Chill for several hours to overnight before serving.

Presentation options: Another way to present this tasty dessert is to use mason jars or small clay pots. This way the girls could have their own mini dirt cake cup.

Activities & Crafts

FLASHLIGHT TAG

This game mixes the popular game hide and seek with tag. The person who is "it" waits at the "jail" counting to a high number while everyone else hides. Then, armed with a flashlight, this person searches for the others who may be switching hiding spots. The flashlight must remain on at all times and may not be covered. When "it" spots someone, she must use the flashlight to get a close enough look at the person to identify her and call out her name.

What happens when a person gets caught, gives rise to variations of this exciting game. One variation is to pass the flashlight to the caught person, so she becomes "it." Another version is to send each caught person to "jail" to wait until everyone is caught. The first person caught then becomes "it." Another variation is to have more than one person (or a team) be "it." With this configuration, people who

are not "it" can tag other people (or team members) free from "jail." One of the "its" may stay near to guard the "jail."

GONE FISHING

Materials

2' Leather cord
1 Wooden dowel
Hot glue gun
1-2" Strip of fabric
8-1" Circular magnets
Paper clips
Fishing items from Activities folder on DVD
(laminated)

Making Fishing Rod:

1. Take the leather cord and hot glue it to one end of the wooden dowel.
2. Take the strip of fabric and wrap it around the glued piece of leather cord at the end of the pole. Glue it in place.
3. Using 2 magnets, place one on either side of the loose end of the leather cord. The magnets will push away from each other or attract each other depending on the way they are facing. Make sure they will attract

to each other then glue them to each other.

Making Fish:

1. In the Activities folder on this DVD you will find the Gone Fishing items. Print these out on card stock, cut-out, and laminate.
2. Attach a paperclip to each item.

Now to play. Set up a small kiddie pool or mark off a pond area with tape, then throw the fish in. Each of the items the girls are fishing for have numbers on them to show the amount of points they will get if caught. Have the girls take turns fishing, who ever catches the most in a minute wins the game. You can also create multiple poles, and fish to have multiple games going at one time.

SLEEPING BAG RACES

This is just like the potato sack races except the girls will use their sleeping bags (if you decide to host your Sleepover outside you may want to go ahead and use a burlap sack.) Have the girls race each other by jumping in their sleeping bags/sacks.

NATURE HUNT

Provide each girl with a hitchhike bag (use a bandana tied to a long stick. Camp Yupik bandana available. See order form.) Inside the bag give them a small magnifying glass, compass, and a flashlight. Have them go on a "hike" searching for previously hidden items such as plastic bugs and snakes. Add

one special item such as a Luna the Lamb necklace for them to find. You can easily turn it into a game by giving the girl who finds the most items a Sleepover surprise.

TREE TRUNK PAINTING

Materials

Tree trunk slice
Acrylic paints and brushes

Provide each girl with a tree trunk slice, these can be found at your local craft store or online. Have girls paint something that will remind them of Sleepover or the kids in Alaska. Encourage them to hang their paintings up in a place that will remind them to pray each time they see it.

CAMP YUPIK ACTIVITY BOOKLET

Get each of the girls one of the activity booklets (item #02-4201). Give each of the girls time to work in the booklet.

PAPERDOLLS

Paper doll templates are provided on this DVD – Paper_dolls.pdf in the activities file.

Here are a few steps on how to create your paper dolls:

Select a piece of paper or cardstock. This can be purchased in any school supply section in many stores. Cardstock usually works better than regular paper because it is heavier and

CAMP YUPIK

2012 NATIONWIDE GIRLS MINISTRIES SLEEPOVER

the paper doll will last longer.

Select file and print the desired quantity on a color laser printer.

You can also take the file to a local print store, such as Kinkos, to print them out.

SINGING AROUND THE CAMPFIRE

At the camp in Alaska the kids love the song "I am Not Forgotten," by Hillsong Kids. Start your time around the fire with singing this song and have a time of prayer for the Yupik Eskimo kids.

CAMPER CHALLENGE

Each camper receives a set amount of natural "ingredients" (i.e., 10 sticks, 4 rocks, 9 leaves, and 2 pine cones). The object of this activity is to give each camper identical amounts of natural supplies and let their imaginations go to work. Inform campers that they can make animals or really anything of their hearts desire. Allow them ample time to complete the activity. Once all campers are finished, have each explain what she's created!

CONCESSION STAND/CAMP STORE

You ask kids what they like about camp and more often than not you will hear about the concession stand with yummy treats or the camp store packed with lots of camp themed memorabilia. So why not bring that idea to your Sleepover? Set up a concession stand and/or camp store with Sleepover product and throughout the event girls can come in and spend their money. The proceeds could even go to Coins for Kids. Another option is for the girls to earn points or tickets that they can use to purchase something. They could earn these during games, activities, and/or for good behavior.

SLEEPOVER

Divide the group into teams of 4-6 people. Give each team a large piece of paper and a pen. Each letter in the word *SLEEPOVER* stands for another word that describes something in

nature:

S STARS
L LEAVES
E EAGLE
E EARTH WORM
P PLANTS
O OCEAN
V VINES
E EGGS
R ROCKS

On "GO", each team of girls writes down as many words as they can think of that relate to the word *Stars* (e.g., sky is where stars are seen; clouds cover up stars on a dull night).

Each team has three minutes to write down as many words as possible. The next three minutes is devoted to the word *Leaves*, the next three to *Eagle* and so on until all letters of the word *SLEEPOVER* have been given equal time.

At the end, the leader tallies the number of words to see which team has the most vivid imagination (some teams may have to explain their rationale behind writing down certain words — the leader may not understand how they relate to the key word!)

If you want to make it a little more difficult you can add the rule that they must be able to see what they write down from where they are sitting. If you do this you may also want to give them a couple more minutes for each word.

We are making a switch! Beginning 2012, Coins for Kids projects will run from January to December so that all your BGMC giving will take place during a calendar year.

To ensure that your offerings go to the appropriate project please make sure they are mailed in by December 31. All offerings postmarked after that date will go to the new project.

Note: You may want to wear some warm clothes or have the girls put on something to stay warm (hats, gloves, blankets, etc.) while you tell the story, perhaps with a few candles lit. It may help them imagine...

Read the theme verse below first.

Psalm 9:9,10

"The Lord is a refuge for the oppressed,
a stronghold in times of trouble.
Those who know your name trust in you,
for you, Lord, have never forsaken those who seek you."

Have you ever been so cold you couldn't feel your nose? Or your fingers or your toes? You just want to sit by a fire and get warm.

That's what Natalie, Charlie, and Jenny did every night. They lived by a garbage dump outside of their town. When it got cold, they would huddle around a little fire to stay warm. They didn't have parents or a home to live in. Jenny, the youngest, knew there was something missing in her life. She wanted a place where she felt loved and taken care of. She was so cold and hungry, and she felt so alone.

Then along came Mrs. Markul — a kind, loving woman. Mrs. Markul saw Jenny wandering the streets one night and invited her home for a hot meal. She gave Jenny warm clothes, and hot turkey and mashed potatoes to eat. She took care of Jenny and told her God loved her. Even though Jenny didn't have a father, Mrs. Markul said that God was her heavenly Father. God cared about her so much, that He sent His Son, Jesus, to die for her, so that she could live with Him forever. Jenny could hardly believe it! She had a heavenly Father who loved her — a Father who wanted to take care of her! She ran back to the garbage dump the next day and told Natalie and Charlie the wonderful news. Jenny had been scared and alone, but now she knew about Jesus. He would always be with her. She was part of His family now.

The Bible says that we are children of God. This means we are a part of His family. This means you are the daughter of a King! Not just any king, but a King who sent His Son to die for you. Think of how much He loves you!

1 John 3:1 says, "See what great love the Father has lavished on us, called children of God! And that is what we are!"

Scriptures
Psalm 9:9,10

Sometimes we go through hard times in life. We may not understand why, but God never leaves us alone. He will be with us, and He will take good care of us. We just have to trust Him ... because we are part of His family.

Far away in Alaska, it's cold all year long. But kids just like Jenny live there. Some of them have a very hard life. Some of them don't feel loved. Some of them feel very alone. Camp "Agaiutim Nune," (known as Camp AN), is a place where kids come and get a lot of big hugs, good food to eat, and ... they hear about Jesus. *Agaiutim Nune* means "The Place of God." The girls and boys who come to Camp AN may have never heard about God before. Many of them are Yupik Eskimos, and live way out in the wilderness far away from other people. But Camp AN is a place where they can hear about God.

Just like when Jenny went to Mrs. Markul's house, the Eskimo kids of Alaska come to Camp AN and feel loved. Wouldn't you want to feel that way too? We can help the Eskimo kids feel that way. Camp AN needs a building to hold all of the kids and keep them warm. Right now, they have old tents, which means it's very cold and dusty. Coins for Kids is going to help the Yupik Eskimo kids have a safe place to go and stay warm. But the best part is that they can hear about God's love.

(Read theme verses again)

Psalm 9, verses 9 and 10, say:

"The Lord is a refuge for the oppressed,
a stronghold in times of trouble.

Those who know your name trust in you,
for you, Lord, have never forsaken those who seek you."

Just like Jenny, or the Eskimo kids in Alaska, God will never leave you. In times of trouble, God will take care of you. He will help you if you feel lonely, scared, or unloved. He will be your "refuge" — a place where you will feel safe and loved, just like the kids at Camp AN.

You can help other girls and boys feel that way too. Maybe you know someone who doesn't have a father or mother. Or maybe they always sit by themselves at school, or maybe they always look sad and lonely. God wants them to be a part of His family too. You can show them love, and tell them about God's love. Maybe their life will change, just like Jenny's did.

Prayer: Lord, thank you for letting me be Your daughter. Help me to trust You when hard times come in my life. And help me to love others the way You love me. I want others to be part of Your family too. Help me to tell them about Jesus.
