

# What's your big dream?

Do you want to be a doctor, a police woman, or a singer? Or maybe you're more of an adventurer and love to explore. Whatever your dream, you count on your education to help it come true. But what if you didn't have access to the classes you needed? Chances are you wouldn't reach your dreams. In Bangladesh that is how it is for a lot of girls.

## UTTAM'S PLACE

COINS FOR KIDS 2015

That's where we come in. In 2015, *Coins for Kids* is partnering with Uttam's Place, a wonderful after-school program for girls, located on the other side of the world in Bangladesh. Uttam's Place helps girls journey from life in the slums to a much better life as college graduates. Best of all, they learn about God's love and His BIG dream for them. They are girls just like you—girls with dreams. They are smart, talented, and energetic girls who want the opportunity to be who God created them to be.

### How can you help the girls at Uttam's Place live out their big dream?

When you give to this project, offerings will help provide a permanent home for Uttam's Place so they can keep on helping girls just like you. Together, let's give coins to help make their big dreams come true!
