

The churches listed here are the 2019 BGMC ALL-STAR CHURCHES! These are the churches in the language districts that have given \$500 or more to BGMC (listed by size of congregation). **Congratulations if you have made this list! To find your church, just do a search in this document.** (Ctrl F [PC] or Cmd F [Mac].) **The best way is to search for your city name.**

BGMC funds go around the world to meet critical needs. This past year, BGMC funds have built churches, dug African water wells, fed thousands of kids in several countries, helped provide medical assistance to impoverished countries, and helped thousands of other missionaries, people, and kids all around the globe, including here in America. Thanks for all you are doing to raise funds for the critical needs of the world.

Why not make it your goal this year to be on this All-Star list? If you are already on the list, strive to go further for BGMC! Thanks again for "Meeting Critical Needs Around the World" and "Creating a Heart of Compassion in Kids."
