

Got stuff you don't need?
Want to help children all over the world?

Donate your stuff to BGMC!

Hi! My name is

I'm having a garage sale to raise funds for children around the world. Proceeds will be donated to BGMC (Boys & Girls Missionary Challenge), an organization that provides food, clothing, shelter, medical care, education, clean water, and much more for children all over the world. The photos on this flyer are just a small example of what BGMC has provided over the past 60 years.

If you have anything you'd like to donate to my garage sale, please contact my parent:

My garage sale will be held on this date:

THANK YOU FOR YOUR HELP!
