

# Buddy's Bakers

Looking for a successful way to raise funds for BGMC?

Try Buddy's Bakers!

The concept behind Buddy's Bakers was designed by Bev Robertson, children's pastor at The Bridge Assembly in Mustang, Oklahoma. She likes to cook, so she prepared a couple of meals one year to raise funds for BGMC.

The concept was a success, so Bev approached others to help out. She asked individuals and couples to pick a meal and month from a given list and assigned them to cook and serve that meal before the mid-week service.

Through these meals alone, Bev generates at least \$500 each month for BGMC.

The cooks have an entire year to plan out the specialty meal and to procure the items needed. Look to farmers and gardeners in your church to donate some of the items.

Try this great concept in your church and see what the Lord will do for your BGMC ministry!

## Sample Menu

(This is the menu Bev uses.\* Feel free to use it or create your own.)

**January:** Soup Buffet

**February:** Breakfast for Dinner

**March:** Lasagna
