

Touching America *and the world*

The Event

Children's ministries leaders will be living it up—*Up in the Air for Kids* that is. They'll be hovering in the clouds in their cities for days on end on billboards, mechanical scissor lifts, rooftops of businesses, and other structures to raise awareness and financial support for BGMC. The benefit will be to help Assemblies of God missions efforts for children worldwide.

Ministries that benefit from your support of *Up in the Air for Kids*

Africa's Hope exists to help Africa's AG churches facilitate the development of leadership, to provide support for ministerial training, and to help the African churches fulfill their vision of becoming a mighty missions force. BGMC is partnering with Africa's Hope to help provide solar-powered, digital Bibles, pastoral libraries, and generators that will assist Bible students and pastors in reaching the children of Africa for Jesus. Visit www.africashope.org.

Africa Oasis Project is helping dig deep or shallow wells in water-challenged communities, while also teaching people how to collect rainwater and other methods of storing water supplies. African leaders are also being trained by AOP on how to care for their wells, about sanitation and personal hygiene, and about irrigation, sewage management, and drought measures. BGMC is assisting the Africa Oasis Project with funds to purchase water buckets, drilling rigs, and water wells.

Visit www.africaoasisproject.org.

Africa's Children: Because of the many challenges African children face daily—challenges that mean the difference between life and death—the idea of caring for these children can seem overwhelming. The problems are too numerous, the issues too big, the number of hurting children too large for us to handle alone. BGMC is partnering with Africa's Children to help. Africa's Children is addressing the wholeness of children in Africa: their physical, mental and social well-being, and spiritual. Help BGMC extend a hand of compassion to the children of Africa through Africa's Children. www.africawatch.com/children.html.

Convoy of Hope provides resources to local organizations to meet physical and spiritual needs to make communities a better place. A nonprofit organization, Convoy of Hope serves in the United States and around the world providing disaster relief, developing food and medical supply networks, and sponsoring outreaches to the poor and hurting in communities. BGMC provides funds that help purchase resources that reach around the globe through the Convoy of Hope. Visit www.convoyofhope.org.

Latin America ChildCare represents the largest integrated network of evangelical schools in Latin America and the Caribbean. Founded in 1963, the ministry has grown to include over 300 projects affecting more than 100,000 children in 21 countries. With the help of BGMC, LACC continues to touch thousands of Latin Americans with the truth of the gospel to equip them with the basic skills for competing in and transforming their society, and to give them the things of which dreams are made. Visit www.lacc4hope.org.

How You Can Help

1. Children's leaders and children can go *Up in the Air for Kids*. For further information, visit the Up in the Air Web site at www.upintheairforkids.ag.org.
2. Donate through your local Assemblies of God church. To find a church in your area hosting an *Up in the Air for Kids* event, visit www.upintheairforkids.ag.org or call 417-862-2781, ext. 4021.
3. Businesses and churches can donate through our secure online donation site at www.upintheairforkids.ag.org.

What is BGMC?

BGMC started in 1949 as a missions support ministry. BGMC provides missions education, missions challenges, and missions fund-raising efforts for children. This Assemblies of God ministry helps supply missionaries with the resources they need to minister to children around the globe. This is why children and their ministry leaders across America are on a quest to help. *Up in the Air for Kids* is paving the way with children's leaders across the United States who want to reach the children of the world.
