COST VARIES BY REGION.

Water Buffalo & Goats* **(INDIA)**

Two-thirds of the people in India live in poverty, and pastors' families are among the hardest hit. They spend what little they have to feed their families, and sometimes they can't even do that. That leaves no resources to send their kids to school. You can change their lives by helping provide the family with water buffaloes and goats. These animals not only give meat and milk, but by selling the excess, a family can afford to send their kids to school. An education will make all the difference in their lives!

[920387]

WATER BUFFALO \$750
GOAT \$150

School Backpacks* **(MIDDLE EAST)**

In many schools around the world, kids are required to have their own resources in order to attend. Without them, they can't set foot in the school. Marginalized girls will drop out because they lack the basic necessities, such as pencils, pens, and paper. For just \$30, you can give a girl a backpack filled with everything she needs.

SCHOOL BACKPACK

Food for the Hungry*
(MIDDLE EAST)

Having been forced to leave their homes for various reasons, displaced Middle Eastern families often live in very difficult physical conditions, with little to no food to eat. With just \$50, our Middle East Team can provide fruits, vegetables, and a chicken in time for them to celebrate Christmas.

[920389]

FOOD FOR A FAMILY **\$50**

Water Filters*
(YEMEN, SYRIA, IRAQ)

Thousands of people die every week from drinking contaminated water. Dirty water carries pathogens, viruses, and bacteria—all of which contribute to disease and death. Just \$30 will purchase a water filter for needy people in the Arabian Peninsula.

[920390]

WATER FILTER **\$30**

Soccer Balls (URUGUAY)

Soccer—the favorite sport among Uruguayan kids, but most kids don't own a decent soccer ball. Missionaries in Uruguay use soccer to bring kids together to learn about God. You can bless the kids in the Uruguayan churches by providing them an official soccer ball.. Kids will flock to church to have the chance to play, and there they will learn about Jesus and His love for them.

[920392]

SOCCER BALL

\$18.50

Goats
(GUATEMALA)

Covid-19 hit many pastors' families in Guatemala hard, leaving them with no way to earn an income or to provide food for their children. Missionaries have found a solution by providing goats for them to raise. The goats provide both milk and meat, which feeds the families and provides an income when they sell the excess. Bless a pastor's family today with their very own goat!

[920393]

GOAT

\$125

Salvation Coloring Book
(MEXICO)

Missionaries Chris and Julie Abiuso minister to kids in Guadalajara, Mexico. Your gift of \$7 can provide them with coloring books that tell the message of salvation in a format that kids can understand. Give the gift of salvation with these books for kids!

Camps For Foster Kids (U.S.)

Research has shown that play helps disarm fear and can form new response effects in the brain. In other words, play is powerful. A camp experience can communicate value and self-worth to kids while bathing them in the love of Christ. Help inspire hope through the art of play by sponsoring a foster kid's camp experience.

[920395]

SEND ONE CHILD \$200

Cuddle Bags (OCJ KIDS)

Opportunity, Community & Justice for Kids. This is the motto of OCJ Kids, a ministry to foster children. When a child is removed from an abusive home, the change is often abrupt and traumatic. At the moment of transition, when a child is the most vulnerable, OCJ Kids gives them a Cuddle Bag containing a stuffed animal, a blanket, snacks, a toy, a coloring book, and hygiene products. For \$30, you can show a child that someone cares about them.

[920396]

ONE BAG \$30
MONTH OF BAGS \$3000

Coats For Kids (LAOS)

Xieng Khuang is one of the few areas of Laos where temperatures drop to single digits in the winter months. Kids at the Life Center there come from impoverished families who live in huts with no insulation. Warm coats will keep the kids safe and healthy.

[920397]

Backpacks (CAMBODIA)

In Cambodia, families must purchase schoolbooks, supplies, and uniforms before their kids can go to school. Your gift to Train Up Children's Home, an orphanage in Cambodia, will give the kids everything they need to get an education and have hope for a better future.

Beds (INDONESIA)

Esperanza House in Indonesia provides girls with a safe place to live. BGMC helped build sturdy bunk beds years ago, but now the foam mattresses have worn thin. Surprise the girls with new mattresses this Christmas!

Playground Sets For Rosebud Reservation (NATIVE AMERICA)

Kids who live on the Rosebud Native American Reservation suffer from poverty, hunger, and high rates of suicide, drug abuse, alcoholism, and teen pregnancy. Missionaries Johnny and Heide Wade bring a message of hope and love to the kids. Help share the burden by providing the kids with a safe and welcoming place to play.

[920403] **PLAYGROUNDS IN 2 LOCATIONS**

\$20,000

Playground Sets (LATIN AMERICA)

Every child should have access to a safe and fun place to play. Churches and Christian schools in Latin America know that reaching kids is key to reaching families. Providing a safe playground will attract many kids—especially where churches are located near city dumps or in tiny villages. These kids have never seen a swing set or a slide. You can put joy in a child's heart by providing playground equipment. When kids come to play, their joy is multiplied when they learn that Jesus loves them!

[920404] **PLAYGROUND**

\$7,500

Kids' Ministry Supplies (GERMANY)

Thousands of U.S. military families live in other countries, such as Germany. Your donation will provide the military kids at a church in Ahlbeck, Germany, with indoor play equipment. Show the love of Jesus by blessing the families who protect our freedoms.
