

Speedy D. Light Skit

Speedy D. Light represents the Speed the Light missions program for teenagers. Teens raise money to buy vehicles and other equipment for missionaries. These vehicles are often used to transport materials purchased by BGMC. The vehicles take our missionaries wherever they need to go in order to reach the lost. For this skit, use the Speedy puppet or print out the Speedy picture onto card stock and attach to a craft stick to create a stick puppet.

(As the skit begins, Speedy comes racing from behind stage. Screeching car brakes are heard and up pops Speedy. He has a Spanish accent and talks very fast. He hardly stops for a breath. When he gets too excited, he beeps. His catchy key line is, "I am so excited! Beep! Beep!")

Hey everyone, it's me Speedy D. Light. I travel around the globe checking out what our missionaries are doing with the help of Speed the Light and BGMC!

The Morrisons are missionaries in the Czech Republic. For a long time they had to take taxis, buses, or trains to get around the country. This was especially challenging when they had a brand new baby. But thanks to teenagers in America, they finally got a Speed the Light vehicle. *I am so excited! Beep! Beep!*

Together STL and BGMC are helping the Morrisons spread the gospel to the people of the Czech Republic. Now they can offer rides to people in need, and through this act of kindness they can introduce people to the gospel. They can take kids to camp. They can help in children's outreaches. BGMC is there to provide Bibles, materials, and many supplies they need for their outreaches, trainings, and revivals. They can travel from church to church and bless the congregations. *I am so excited! Beep! Beep!*

Well I gotta go! Thanks, kids, for giving to BGMC! You are making a difference around the world. Keep filling those Buddy Barrels. *I am so excited! Beep! Beep!*

(He races off and the sound of squealing tires is heard.)
