

Speedy D. Light Skit

Speedy D. Light represents the Speed the Light missions program for teenagers. Teens raise money to buy vehicles and other equipment for missionaries. These vehicles are often used to transport materials purchased by BGMC. The vehicles take our missionaries wherever they need to go in order to reach the lost. For this skit, use the Speedy puppet or print out the Speedy picture onto card stock and attach to a craft stick to create a stick puppet.

(As the skit begins, Speedy comes racing from behind stage. Screeching car brakes are heard and up pops Speedy. He has a Spanish accent and talks very fast. He hardly stops for a breath. When he gets too excited, he beeps. His catchy key line is, "I am so excited! Beep! Beep!")

Hi, kids! It's me, Speedy D. Light! I've been to India, and boy, do I have exciting stories about how workers are using Speed the Light vehicles and BGMC equipment to reach the kids! *I am so excited! Beep! Beep!*

One couple was doing an outreach to the kids of India when it got quite late. About 20 kids were stranded in a dark and dangerous area of town with no way home. Coming to the rescue were the Christian workers with their trusty Speed the Light car. The seats had to be removed from the car in order to fit everyone, but the workers were able to rescue the stranded kids and drive them safely home. *I am so excited! Beep! Beep!*

Other workers have used their vehicle in a very special way. They received a minivan that looks like a bread truck. They open the back hatch and turn it into a puppet stage. They load the van down with a sound system and all the supplies they need, and they do children's services right out of the back of the van. Hundreds of kids have come to know Jesus as their Savior through these kids' services. Thank you, teenagers, for your offerings given to Speed the Light, and thank you, kids, for your offerings to BGMC. BGMC purchases puppets, sound systems, costume animals, and much, much more so missionaries can tell kids about Jesus! *I am so excited! Beep! Beep!*

Together BGMC and Speed the Light team up to help the workers reach the people in India. Aren't you glad you're a part of this missions team? As kids, you earn money for BGMC, and as teenagers, you earn money for Speed the Light. I'd better go. I'll be back soon with another story of how God is using Speed the Light and BGMC! Keep giving! You're doing a great job! *I am so excited! Beep! Beep!*

(He races off and the sound of squealing tires is heard.)
